L'ULTIMO QUADRO E IL PERCHE'
THE LAST PAINTING AND ITS INSPIRATION

245

"Cos'è?" (50x40 cm)

La pittura si ferma alla sorpresa. La meraviglia per qualcosa che stupisce, non interessa cosa. E' la stessa ragazzina lentiginosa del dipinto precedente.

Qui con i capelli raccolti da alcune perline colorate.

Nel piccolo dipinto si contrappongono in diagonale la piena luce e lo scuro più cupo.

Un piccolo cuoricino è tra i capelli un po' sotto la perlina blu.

E' stato dipinto il sospiro...

"What is it?" (19.5x15.6 in.)

Painting stops where surprise begins. Amazement for something which surprises you, no matter what it is.

It's the same little freckled girl of the previous painting. Here with her hair tied back with a few colored pearls.

In the small painting the full bright light and the most obscure darkness oppose themselves diagonally.

A small heart to be found amongst her hair, a little below the blue pearl.

Even the sight has been caught and painted...
